

# Climbing Trees

By Bryan O.

One day Luis was climbing trees behind his house. It was one of his favorite things to do. He liked it because if he gets better at it he would enter a contest. That day his friend Bryan came to climb trees with him. But there was a problem, it was Bryan's first time climbing trees. Bryan was better at swimming. Luis didn't know how to teach him to climb trees. So, Luis called the same person that taught him how to climb trees. That person's name was Christian and he taught him how to climb trees because he wanted someone to be good at that like him. After 2 hours of teaching Luis's friend Bryan he finally knew how to climb trees very good like him. They spend all day climbing trees and at the end of the day he and Bryan were very tired and went to sleep. They had a great dream about winning a contest and in the dream, they both had a prize for being good at that. The next morning, they did the same thing.
