

How Kevin Made the Team

By: Evan F.

This is a story about a little boy named Kevin. He loves sports. Football, baseball and basketball are the sports he loves to play. Sports are some of the things that Kevin does. He plays sports with his friends. Kevin want to more than anything make the football team. Out of the three sports, football is his favorite one. He can hit with his shoulder pads, he can throw, and he can eve catch! It is going to be hard because all the kids are bigger than him. They bully him and say mean things. They call him short and ugly. Kevin says, "no, I can't let these kids bully me." So, Kevin gives it his all. He tries his best and works really hard. Then it's time for the list for the players that made the team. I had butterflies in my stomach! This is what Kevin saw: Garland-Quarterback, Zach-wide receiver to the left and Kevin-wide receiver to the right.

"Oh my gosh I did it!" I didn't say that out loud because I was standing in front of about 150 kids. I felt ecstatic. Then it was over. I got in my dad's car, and he asked, "did you make it?" "Yes," I said. "My first practice is tomorrow." "Ok," Dad said. So when we got home, my mom was cooking, and I told her mom I made the team. "Cool, I am happy for you!" she said. We ate dinner and talked about the football team. The next day when we woke up, I had butterflies in my stomach. My practice was at 1:00, and it was only 10:30. We got ready and

started to go. When we got there, I saw my coaches. One of them was my dad's friend. He came up to me and asked, "aren't you Aaron's son?" I said, "yes". "Come here," he said. I got so nervous, but he actually gave me some things. Since our team name is the Raiders, (which is another word for a pirate) he gave me a Raider towel, Raider hat, and some gloves that are red, white, and black. I thought to myself they were actually pretty cool. I think they may have brought us good luck because for the rest of the season their record was 11-3! That means they won 11 games and lost 3. Kevin played for the Raiders till he was 11 years old!
