Jupiter, Saturn, and Neptuna were 3 women in the Kuiper Army. Jupiter was the general, Saturn was a sergeant, and Neptuna was a cadet. Jupiter was the general for 1 billion years, knowing when the Asteroid Army, who's general is Venus. "Attention!" General Jupiter shouts. "In the next 9 weeks The Solar War will take place! This will be the biggest war in The Solar System!" General Jupiter shouted. "First we practice marching!" General Jupiter shouts. "Ma'am Yes Ma'am!" The Kuiper Army shouts. After training, General Jupiter orders everyone to clean their lockers. Neptuna walks in front of a locker with a □ on it, next to her friend's locker "Uni?" Neptuna asks "Yes Neptuna?" Uni answers "Do... Do you think I'll survive The Solar War?" Neptuna asks. "Why of course! You're a strong independent woman with a trident." Uni replies standing in front of a locker with a □ on it. "She's right Cadet." General Jupiter says. "Ma'am! You startled me!" Neptuna cries. "You don't always have to call me ma'am Tu-Tu, we are twin sisters remember?" General Jupiter corrects. "You can just call me J." General Jupiter continues. "Ok then... Thanks Jay." Neptuna says. "If You guys can turn around, I need to change into my pajamas." Neptuna changes into her favorite pink chevron two-piece pajamas, and goes to sleep in her plain white top bunk bed over Uni. At 6:07 they all wake up. "Saturn?" Neptuna asks. "Yes Cadet? *Τι τρέχει? (What's Wrong?)*" Saturn replies. "I'm Scared... I don't think I will make it." Neptuna answers. "Don't say that! *ό, τι σας κάνει να πιστεύετε αυτό? (What makes you say that?)*" Saturn asks. "Well our mother, Sirius died at the Milky Way War by Aldebaran... I'm still looking for him, so, I joined the Kuiper Army knowing that he is our next opponent in The Solar War. But... I am much weaker than my mother, even she died!" Neptuna says "Oh My Zeus, *Λυπάμαι πραγματικά για τη μητέρα σου. (I'm so sorry about your mother.)*" Saturn says. "It's okay, it wasn't your fault." Neptuna reassures. "Don't talk

about yourself like that! You can do it! *Πίστεψε στον εαυτό σου!* (*Believe in yourself!*)” Saturn assures Neptuna. “Thanks Saturn.” Neptuna says. “*Καλά... (Well...)* General Jupiter wanted me to tell you something!” Saturn says. “What did she want to say?” Neptuna asks. “*Συγχαρητήρια! (Congratulations)* You are a sergeant now! You have to arrest soldiers who break the law. *καλή τύχη! (Good Luck!)*” Saturn shouts. “Here’s your badge.” Saturn gives Neptuna a gold trident shaped badge. “Woah! Thank you so much Sa-Sa!” Neptuna cries “*Παρακαλώ (You’re Welcome)* Cousin Neptuna.” Saturn says. “Hey guys!” Pluto shouts. “*Πλούτων! (Pluto!)* Where were you?” “Umm... oversleeping, eating pizza, and washing my armor.” Pluto answers scratching his head “*σοβαρά?(Seriously?)* Neptuna, you know what to do.” Said Saturn. “Ahem... Pluto!” “Huh?” “Report to General Jupiter and tell her you were slacking! You were supposed to go to Extra training today at 9:37! or get demoted!” “Y-Yes Sergeant Neptuna!” Pluto cries. He races to General Jupiter’s Office. “Who turned you in this time?” General Jupiter asks, annoyed. “Sergeant Neptuna.” Pluto answers. “You know Pluto, if you go to my office for slacking again, you’ll be kicked out of your “dream job” in the Kuiper Army.” General Jupiter said firmly. “Go to Extra Training. Now. You’re going to miss the other one.” “Y-Yes Ma’am!” Pluto shouts and sprints to Extra Training. “Seriously, This was the 365th time already... Sheesh.” General Jupiter mutters under her breath. “*Καλή δουλειά! (Good Job!)* On your first 6 minutes you already turned someone in! You’re a Natural!” Saturn shouts. “Thanks Cous” Neptuna said fixing her Bright blue Hair. “Also... Do you like my moon ring? I got it from my niece Pandora, she said her big brother Titan helped by giving her one of his spare moon rocks.” Saturn explains “Its lovely! I got a Kuiper belt necklace!” Neptuna shows her a beautiful necklace with 8 light blue diamonds on it that spells “*Ποσειδώνας (Neptune)*” on it “My Daughter Laomedia made it

all by herself!” Neptuna explains. Then, by 9:59 they all stopped training. 8 weeks later, the war started. “Okay Kuiper Army! This is the time we have been waiting for! Hopefully 9 weeks of hard work will pay off.” “Okay! Let’s Go!” and they all ran into the battlefield of asteroids Neptuna jumped asteroid to asteroid with her trident looking for Aldebaran. “Hello Dear Neptuna...” a mysterious voice called “Aldebaran...” Neptuna hissed. “You are smarter than I thought Young Neptuna... Remember Sirius? I got rid of her for a reason... She knew too much about my plan... Now you are next...” Aldebaran said in a deep raspy voice. “I will end you!” Neptuna shouted Aldebaran tried to hit her with his burning spear but, he missed. “You killed my mother... all I have left is my sister Jupiter, My cousin Saturn, and my brother Pluto.” Neptune said crying. “After you... They are next.” Aldebaran said Neptuna struck his face. “Augh!” Aldebaran screeched. “You fool!” Aldebaran shouted striking Neptuna’s left leg. “Gah!” Neptuna wailed they fought and fought until... She struck his chest and he collapsed. “Y-you will regret this Neptuna Posidai.” “No I won’t... I wanted this for 20 years.” Neptuna corrected. Then Aldebaran died and disappeared into gas. After that Neptuna saw General Jupiter with someone, and get struck in her leg and arm “No!” Neptuna cried and quickly limped over And looked at who attacked her “Venus...” She quietly limped over and attacked Venus. Then The Asteroid Army retreated and the Kuiper Army won The Solar War. Neptuna took General Jupiter to the hospital “Thank you Tu-Tu because of you... we won.” “We told you you can do it!” Uni said “Like General Jupiter Said *“Χάρη σε εσάς κερδίσαμε τον πόλεμο! (Thanks to you we won the war!)* Saturn agrees. “Thank you all for helping me believe in myself”
