

The Great Big City

by Zephania

One day there was a dog, and his name was Jake. Jake was walking on the sidewalk. He was so happy. "I love my life and I want to keep it that way." Jake said when he was barking. Then he found a humongous city called The Great Big City. It was in Hollywood. He was so surprised that he went to take a stroll. "Oh my gosh this is like a fair at Fort Bend." Jake said with his mouth open. There was a dog park called Doggies Little Town. Jake tried the dog park. "This is actually fun. I want to come here almost every day." Jake said with laughter in his eyes. "I should have some friends", Jake said as he was walking like he was popular.

He noticed that there was a stadium only for actors. Jake went inside, and it was amazing. It had lights and cameras. It was pretty too. There was a dorm for the main actor. He opened the door and there was a girl named Kalie. She was ten years old. She was the main actor in the show and movies. Jake found some friends. Their names were Mike, John, and Lilly. They were the other actor's pets. Jake was getting sad. "I wish I had an owner." Jake whispered. "What!" Lilly shouted. "Nothing!" Jake shouted. "If you want you can come with us and check it out." Mike says while Lilly's thinking about food. "So, what do you guys want to eat?" Lilly asked as her stomach grumbled. "Like chicken, ham, or bacon?" Mike suggested. "We can go to your dorms and eat." Jake says while he is thinking about the other actors' dorms and how it will look like. "So, meet us at ten p.m. Okay," says John. "Oh, I thought you don't talk", replied Jake. "I can't find an owner." Jake replied. "Follow us so we can eat. It's already ten p.m." Lilly replied.

"Thanks so let's go.

Guys I still have no owner. I'm feeling lonely." John replied.

"You want her to be your owner?" Lilly asked.

"Yeah she seems nice." Says Jake.

So, Jake walks in slowly. Kaylie always wanted a dog. She looked surprised. She bent down. She gave Jake a big hug. Kalie lost her dog when she was four years old. Jake was her dog that left her. Now Jake realized that Kalie was his owner. After that, they made a movie together. Jake and Kalie were happy.

The End.
