

Wendy and Ivy

By Emerie I.

Wendy was born in Houston. She was born really healthy. Her parents loved Wendy so much. When Wendy was five years old her parents knew Wendy was able to go to school. Wendy was so excited to go to school. She was going to be in kindergarten. On the first day of school Wendy woke up at six o'clock. She put on a beautiful blue dress. She got to her school and she loved her teacher. Wendy's teachers name was Mrs. Delacruz and she was very young and skinny. Wendy just had one problem she didn't make any friends, she thought it was the first day everyone must be shy. Then two weeks had passed but she still hadn't made friends. But when she got home she started crying. Her mom told her everything is going to be ok. The next day Wendy woke up confident and ready to start the day. Then when she got to school there was a new girl. The new girl was in Wendy's class. Wendy thought maybe they will be best friends. Wendy introduced herself to the new girl "Hi my name is Wendy". The new girl said her name very low but Wendy still heard what she said. Wendy said to her "Wow your name is Ivy?" Ivy nodded. That was three years ago but let's talk about now. Ivy and Wendy are in second grade. They are always together. It was Ivy's ninth birthday on Friday October 6th. The first person who Ivy invited was Wendy. Wendy told Ivy "you don't have to give me an invite because you already know I will come". Ivy just laughed. "Hey Ivy" said Wendy. "Yes" said Ivy. "Are you going to the second grade dance?" said Wendy. "Maybe," said Ivy. It was the day of Ivy's birthday party. Wendy and Ivy were already dressed for the party because after school they were going to walk to Ivy's house. It was time for science. Mrs. Proctor, Wendy and Ivy's teacher, told them to get in 2 groups. Wendy and Ivy were going to be partners. They had to choose a name for their group. They both had different ideas. Wendy was thinking of puppies of the world. Ivy's idea was kitty lovers. They started a big fight. It started with Ivy saying, you always get your way. Then Wendy said, "I don't get my way and at least I'm not a spoiled spoiled ugly girl"!!!! It stopped there and then they both sat down. When the class went to lunch Mrs. Proctor called Wendy's mom and Ivy's mom. They both came and Mrs. Proctor told both moms that Wendy and Ivy made a big scene in science. So both parents went home and worked together to make a plan. Meanwhile the girls were still in a fight. Then Ivy saw one of the invites that she gave Wendy in the trash can. Ivy thought this might be the end of their friendship. It was time to go home. Wendy and Ivy were supposed to walk to Ivy's house but they both went different ways. As soon as Ivy got home nothing was ready for the party. "Mom where's all the stuff for the party" said Ivy. Ivy's mom said "You're not getting that party until you say sorry for what you said". "But mom she was the one who called me a spoiled girl" said Ivy. "And if you say sorry to her then maybe she'll say sorry to you" said Ivy's mom. So Ivy went across the street to say sorry there was a car coming Ivy didn't see the car then the car ran over her. Ivy's mom came out and started yelling "call 911" over and over with Ivy in her arms. Then Wendy's mom came out with the phone and Wendy heard screaming and came outside and Ivy's mom was holding her and Ivy's eyes were closed. The emergency truck came. Ivy's mom, Wendy's mom, and Wendy got in the car. They followed the emergency truck to the hospital. When they arrived Wendy started crying. It was 2 am, Wendy snuck in Ivy's room. "Wendy" said Ivy in a low voice. "Yes" said Wendy. "I'm sorry" said Ivy. "No I'm sorry that this happened to you" said Wendy. Then they gave

each other a big hug. Then they went to sleep. Wendy woke up around eight o'clock. And the doctor was waking to Ivy's mom. They told her that Ivy was ready to go home. "Ivy gets to go home" Wendy said. Then Ivy got in the car with her mom, Wendy's mom, and Wendy. Wendy got to spend a night with Ivy so Wendy can make sure Ivy is safe. But the next day Ivy couldn't go to school. Wendy was lonelier at school than at home. These four girls started picking on Wendy because Ivy wasn't there. Between Wendy and Ivy, Ivy is stronger than any girl. The four girls told Wendy that she was dumb, stupid, and ugly. And Wendy just ran as fast as she can. Wendy ran to Ivy's room and told her the whole story about the four girls. Ivy said "Those girls better watch their backs because I'm coming tomorrow" said Ivy. "Really" said Wendy. When Ivy and Wendy got to school and they promised each other never to fight again. "Hey Ivy the second grade dance is today and right now, you want to go" said Wendy. "Sure" said Ivy. They both put on their dresses and walked to the school.

Now you know the friendship of Wendy and Ivy. But I know what you're thinking, that's it. Well no that is not there's more just not right now.
