

# **RICHARD AND HIS DOG HENRY**

By Charlene S.

It was the last day of school at Little Rock Middle School. There was a little boy named Richard. He was always excited for the last day of school and to start the summer. He has a girlfriend named Sofia and she was not so excited for the last day of school because she was going to miss her best friends Kelly and Alexandria. Richard was a normal thirteen year old boy who was nice to everyone, except when someone messes with his girlfriend Sofia. He gets so mad that his face turns all types of different colors!

Before the bell rang and everyone went crazy, his teacher Ms.Martinez said, "if you come back to this school next year, please bring a front and back essay telling us what you did over the summer. Please return this paper to me or your next teacher and we will keep it and show it to our principal Mr.Perez and we will it has pride and details or if It's lazy and boring and we will give it back to you if it is. Maybe if it's so good, we will hang it on the wall of fame, everyone can see it." Ding Ding

Ding! Everyone ran out of the room without their backpacks and all the teachers were hiding under the desk licking their fingers hoping they won't get ran over by the crowd of kids running from their class to the front door.

Richard always walk home from school but today his mom surprised him and came to pick him up in her car. He was so excited because she never comes and she did today. He got in the car and was really excited but he did not want to show it. So, he said," Hi mom, how was your day?" Good..."Said mom. So, they were almost home and his mom said, ``Sweetie, our dog Henry died. When I went down stairs to feed him, he was not breathing anymore. "Richards pride was gone, so he said, mom, can you have a baby?" Richard mom said, No it's too late. I'm already forty-five years old and I'm too old." So, Richard went to the pet store and bought a dog that looked like his dog Henry and trained him to be exactly like Henry. Everything went fine after a few years but he will always remember his dog Henry. THE END
