What is your favorite holiday? For me, my favorite holiday is Christmas. In December, snow falls to the ground and it turns white. Christmas is celebrated in December and I am cool as a cucumber during this time. One memory I have is me unwrapping my present. It was Pokemon cards. It was like a dream. Who gave me the Pokemon cards were my mom and dad. In Christmas time, it is a great time for family and friends to come over to taste the delicious home- made food. Moreover, please, when you finish eating, do not run around! You might have a bad belly! Christmas is the best time of the year because everyone loves unwrapping gifts. Moreover, the food that you smell is so delicious that you will say please mom, more! more! I can't wait until Christmas comes.
