

### 3 Wishes

By Adly M.

One cold winter day Sarah was looking up at the stars and said to the stars, "I only want three things for Christmas. And those three things will be a, Dad, house and a dog." Then she hurried off to bed. The next morning was the first day of Christmas break! She rushed downstairs and everyone was sleeping except for Sarah. She made her own breakfast and turned on the t.v. then thought about all three wishes she asked for last night. Then she imagined what it would be like if she had a dad, house and a dog. Her mom was still alive but her dad died from cancer when she was little. Since her dad worked a lot, when he died they lost all of their money. So when her mom woke up she asked her if they could get a baby Christmas tree. She said, "Yes." So they went to the Christmas tree farm. When they got home it was already dark so she said, "Let's decorate this tomorrow." So she went off to bed. That night all she could dream about was those three wishes. The next morning she just realized it was Christmas eve! She couldn't believe it! She rushed down her little apartment stairs and realized there was no decorations no cookies and no presents! She knew there was a lot of work to be done. A couple hours later she was very close to finishing the house. It was getting dark so she went to bed for tomorrow it will be Christmas day! Finally, Christmas is here. Her mom was already awake. Her mom had very exciting news! Her mom was getting married! Sarah couldn't believe one of her three wishes came true! Then her mom announced that they were getting a house! All of her wishes had come true except her wish for a dog. But that's ok.
