

## Portal Escape!

By Alyson H.

Eleah is a 9 year old girl and she has a sister named mia that is 5 years older than her. It was bedtime Eleah was getting ready to go to sleep, but then she heard a noise whhhhhhhrrrrrrhr went the noise, then it stopped "finally"! She said whrrrrrrherhh ok mia I know you are there! Ok so maybe she is not, pop all of the sudden things in her room started to form one giant ball of stuff, then someone stepped out of it and said "i need your help," who are you and why me? said Eleah. well I actually have been in every neighborhood and you are my last house, said the stranger , my name is queen emma, I own the crystal kingdom, my sister and daughter when to another kingdom they were supposed to come back 2 weeks ago but they are not here. Can you please help me find them? Sure said mia thank you said emma. So eleah stepped in the portal and got sucked in but right before she did emma said by the way the portal closes at midnight also here's a map. Ok. wait, what, said aaaaaaaaaaaaaaaaaaaaaaaaaaaaaa. oof my spine , wow where am I? Probably in crystal kingdom. Well I better use this this map emma gave me. Ok it looks like this triangle shaped thing must be that stand. Wow that is so weird anyway I will use this later and go with my gut i don't need a map to show me where to go. Hi said someone what are you looking for oh i am just looking for another kingdom, well your in luck i just got a teleport thing that will teleport you there thank you, zip, hey well i guess i am here ok i will just go in. i picked up the map and took out the two pictures and went in as soon as eleah stepped in eleah saw the two people that were in the pictures hi well you look ok bye and teleported back to the bedroom told everything to emma and fela sleep.

The end.
