## **THE MISSING REALITVE**

“She was about to fall of the mountain and then” ...BINNGGG! “Ok students that’s the bell!” Mrs. Lopez said putting down her book. “See you all next week! Have a good spring break!” “Finally...” Jake grunted. “I thought it would never end...” He continued. They left Buffer middle school and were walking down the sidewalk. “So Luna..., what you doing over the break?” Lizzy asked. “I can’t wait! I’m going to see my grandpa!” Luna squeaked excitedly. “You guys?” “Nothing much” Lizzy and Jake said at the same time but acted as if they hadn’t noticed. When they reached Lunas house she said goodbye and quickly rushed inside. Her mom was sobbing on the table when she walked in. “Mom... what’s wrong?” Luna asked slowly. “Oh!” Her mom jumped up shocked, her eyes started to water up again. “Well Honey... (sigh) Your grandpas missing.”

## **THE CAMPING TRIP**

“What??!!” Luna shouted. Before her mom could say anything else she hurdled over her dog, Baxter and race to her room and flopped on the bed. She grabbed her phone and went into her, Jakes, and Lizzy’s group chat. CODE RED! MEET ME AT THE PARK ASAP BRING YOUR STUFF AND TELL YOUR PERANTS YOU ARE GOING ON A CAMPING TRIP!! She typed. She jumped of her bed grabbed her bag and raced out the door. Once Lizzy and Jake got to the park they ran over to her and asked what had happed.(Luna explained everything).”WHAT?!” Jake shouted. “He couldn’t have just disappeared like that! “Something tells me something happened.” Lizzy said. Jake and Lizzy looked at Luna. “Oh no no no no no.. I’ve seen that face...” Jake said. “Guys, this is where being a detective comes in handy...” Luna said. “Oh no” Lizzy said. Luna Bravely shouted, “Were going to find my grandpa!”

## **SERCH PARTY, THAT WASTENT A FUN PARTY**

Before they knew it Luna had dragged them 5 miles from the city to an old camping site by a cave. "Why of all places are we here Luna?" Jake asked. "This is my grandpas favorite camping site." Luna said."

"He would always bring me here to camp. But he always told me to NEVER go into that cave over there." Luna said as she pointed to a scary looking abandoned bear cave. "OK, so let's search everywhere! No stone unturned!" Lizzy said. Jake hurried off. Lizzy whispered to Luna, "Don't worry, we'll find him." And she ran off after Jake. After what seemed like hours of searching around the camp site, they found, "NOTHING!" Luna shouted. They gathered around each other. "Well.. we've searched everywhere and nothing. No clues, no old items, nothing" Luna said hopelessly. "Wait.. I think I can think of one place we haven't looked in..." Lizzy stuttered as she pointed to the, abandoned bear cave.

## **THE LEAGHS OF THE GALAXY SHRECH FAR**

"Your're kidding... right?" Jake asked. "It's are only hope left" Luna said nervously.

They all slowly tip-toed closer to the cave, then stopped. Then came closer, and stopped again.

"Oh Gosh... were really doing this" Luna whispered to herself. As Jake and Lizzy tip-toes closer, Luna seized their arms and pulled them inside. It was dark and dirty. All of sudden, CRACK! They herd something. "Wha.. a ..what was that? Lizzy whispered. "AHHHH" all of a sudden Luna felt like she was falling. She as so scared to open her eyes she coated them with her hands. Then, "Oof" Lizzy said as they landed on what seemed to be ground. She looked under herself to find she seemed to be sitting on air. All she could see was stars under her. "WHO GOES THERE?" a mysterious voice said. Luna turned around. A giant figure stood before he and it was... green? The green figure looked behind her and shouted "Bori! Alice! Get over here! I can't be intimidating by myself!" hearing this Luna started the chuckle. She looked behind the green figure to see two other figures, one blue, and the other purple munching on sandwiches. They came closer and one said, "OH! It's GG's granddaughter! And her friends to!" "GG... HEY! THAT'S MY GRANDPAS NAME! WHERE IS HE?!" Luna shouted angrily. "Your grandpas fine honey, and.. oh excuse me! I forgot to introduce myself! I'm Aura! And this is

Bori and Alice! The green figure said. All of a sudden doors seemed to open. And Luna realized they were in a palace. She heard a familiar voice. "Bori! Such wonderful sandwiches! Best lunch I've had in weeks!" Luna turned around to see her grandpa! Only it didn't look like him at all. His hair had grown, so a full white beard hung down from his chin. And he was wearing clothes that were imprinted with stars and planets. "Luna!" He exclaimed. Jake and Lizzy were sitting behind her, jaw dropped. "Welcome to the Temple of Astronomia!"

## **THE BATTLE OF THE GALAXY**

"Grandpa!" Luna ran over to him and hugged him. "What's going on?" She asked. "Well... Ever wondered what GG stands for?" Before Luna could answer he continued. "It means Galaxy Guardian. I keep Space in balance." "But why didn't you tell me? And does mom know?" Luna asked. "No, she doesn't... and who do you think named you Luna?" He said. All of a sudden sirens went off. "Oh no!" GG yelled. "What was that?!" Jake said finally. "Yeah!" Lizzy agreed. "The blood soldier's. Every blood moon they attack. That's why I came back here". Her grandpa said. All of a sudden Luna, Jake, and Lizzy were all in sparkling armor. "Why are we in these?" Lizzy asked. "To fight." Alice said. "Us... fight?" Jake asked. "Yes your our only hope!" GG exclaimed. Luna now understanding all of what is happening, Charged out of the gate, and out to battle.

## **THE WAY HOME**

They proved successful, defeating the blood moon soldier's. Now it was time to go home.

Luna and GG walked into the front door of her house. Lunas mom was extremely happy to see them. "But where did you go?" "Oh, we just had a little adventure!" GG said winking at Luna.
