

## Alissa's Dream

By Mia C.

This is a story about Alissa. Her dream is to be an astronaut, but she can't because she is afraid of heights. Ever since she was a little girl, she never quit. But one day, Alissa climbed a big mountain and then she wasn't scared anymore. So she went to the NASA place and she volunteered, they hired her. So she got in the rocket ship, the boss said "5, 4,3,2,1, LIFT OFF"! So when they got there, she loved it! GO TO THE MOON! So she saw something, it was just a miracle; she just loved what she saw. It was beautiful.
