

A Horror Dream

One day when I was sleeping,
a ghost appeared in front of my bed .
He was 20 feet tall , he had 100 teeth
With one red big eye . Immediately I
yelled but nobody turned up . Then I
called 911 for help but the ghost
threw my phone in the trash .

After that I got so angry that it felt like the
Earth got on fire . Then the ghost
was about to attack at me , so I ran
downstairs , still the ghost was
behind me . I unlocked the door
quickly and escaped from the house
but still the ghost was behind me.
I hid under a bush near a forest
until the ghost disappeared in the
bush . After the ghost disappeared in
the woods , I quickly ran to my house .
After a while my alarm rang , finally
I realized it was a nightmare .
