Chapter 1: Let's Go

Today was Rocky's lucky day. Rocky would finally get powers. "Ding" went the alarm. Rocky jumped up and turned on the radio. "It's Friday, Friday, Friday, everybody. "It's Friday" yelled Rocky. Turn that noise off, said Rocky's mom. I rather not, said Rocky. Then I'll turn it off. Rocky's mom used her electrical powers to turn the radio off. "Mom", said Rocky. Rocky mom replied back "sorry" as she whispered, "not sorry".

2 hours later... Rocky are you dressed yet, said Rocky's mom. "Yeah mom", Rocky responded. Rocky and his mom went to the Ethan Gray Super School. They pulled up to the school. "You ready", Rocky mom said. "I surely am", Rocky said.

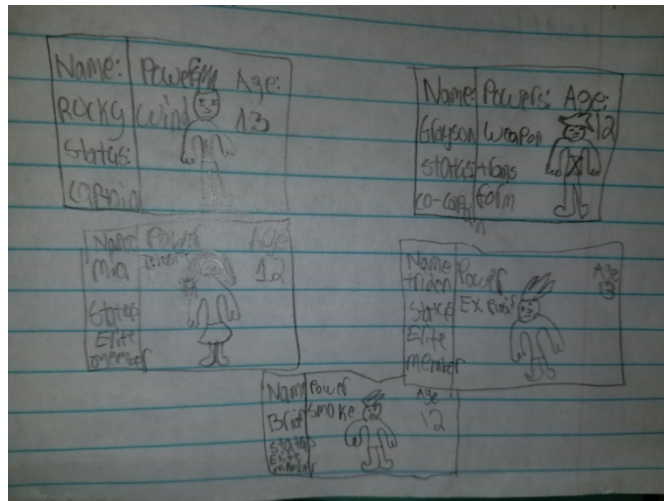

Chapter 2: The Test

When they went in, Rocky saw people flying and speeding across the floor. "Woah," said, Rocky, this is awesome. "Yes Rocky", this is where I trained mom said. While Rocky and his mom were talking they heard the register call "Rocky Swindle". Rocky yelled, "here we go". He was sent to a room full of people. This is a test said the manager, now start. People were using their powers to fight people off. I don't know what my powers are said, Rocky. Someone tried to punch Rocky, he blocked his face then Rocky pushed him away with the wind. My power is blowing wind, screamed Rocky. Rocky started spinning around but he couldn't stop spinning. He began making a tornado. Everyone was sucked into the tornado as Rocky kept spinning around. When Rocky stopped the manager pulled him to the side and asked him, "Did you make that tornado"? No, I was the tornado Rocky said. That must mean your Rocky Swindle, Rochelle Swindle's son. Your mom was the captain of the Phoenix Alliance an elite team of heroes and I want you to be the new captain. Rocky fainted on the floor.

Chapter 3: Whirl Wind

"Where am I?" said Rocky. Rocky, you are at the Ethan Gray Super School. I am Ethan Gray. "Yeah" you were saying something about an alliance, Rocky responded. If we are beating people up, "count me in!" said Rocky. Okay, Rocky meet your team Mia, Grayson, Brian, and Triden, said Ethan Gray. Tomorrow we will check everyone's status but right now everyone gets some rest. The next day Rocky told his mom everything. It's time for super hero names. Rocky's name is Whirlwind, Mia is the Traveler, Grayson is Switch strike, Brian is Smokescreen, and Triden is Chaos. Now let's check everyone's status.

Chapter 4: Domination

"Clever," they say, what an abomination! I declare war on the Phoenix Alliance said the evil man. At the super school, the team was training for the battle against Declan who was Rocky's father and the God of Water.

2 hours later at the fighting stadium, Declan and the Phoenix Alliance decided to start the battle. Declan put Mia and the rest of the team inside a water dome but left Rocky out. So your my so called dad, Rocky said. "Is that any way to talk to your father?" Declan responded. You're not my father you low life scamp said, Rocky, as he defeated Declan. Declan fell before Rocky. The Heroes won the battle!!
