

There's always one person who stands out in the ordinary, and that person is me. My name is Carlie Jones and I'm, in the 4<sup>th</sup> grade and I love playing Minecraft on the XBOX and I know, sounds pretty normal right? That's where you're wrong.

My parents call it a "super-natural power" I call it a super awesome ability. Whatever you want to call it that is ok, I have the ability to see the FUTURE !!!!!!!!!!! So for example ..... I could see the correct answer on a test and I could always and forever get A's if I wanted to. But I wish I didn't have this power, I wish I was a normal kid, and that is when this happened.

One normal day at school I decided to go say hi to Lane and James after school. After the bell rang I grabbed my things and sprinted out of class and ran straight to their house. When I got there I saw a note. The note said "HI!!!!!! WE KNEW YOU WERE COMING, WE HAVE THE SAME POWERS AS YOU MEET US BY THE GOLDEN GATEWAY TOMORROW AFTER SCHOOL-James & Lane ". After reading the note I felt kinda weird, my friends having the same power as me.....WHAT?!?! The next day I laid low and didn't pay any attention in any of my classes.

When the bell rang instead of walking home I went behind the school and down the trail towards the Golden Gateways entrance. waiting there was Lane holding the gateway key.

When I approached Lane she said "Hi! Before YPJJ ray anything all the answers are yes ". After that she handed me the key and I cranked, and cranked, and cranked, then \*click-chut\* the gate opened and inside was a BEAUTIFUL forest. It looked like it was right out of a fairy tale!!!!!!!!!! While I stared wide-eyed at the forest James was standing by a wooden shack. He opened it and inside were 2 buttons.

"Choose wisely" Said James "one button will remove your powers, the other will reveal a secret 00000-00000". Woah! I want my powers gone but not FOREVER, and a super secret, what if it is a bad secret?!?! After I thought about it for a bit I chose the ..... SECRET BUTION !!!!!!!!! After I pressed it James and Lane were GONE. Left where they were standing was a note, it said "yay!!! You chose the secret button! Losing your power would make you like everyone else and you are very very special. The secret is you owe me 5 dollars © #MONEY!!!! -YA 801 ..... JAMES.

I took the note, grinned, and made a mental note to bring some dollar bills to school and left the Gateway feeling awesome.

So that is me, Carlie Jones a 4<sup>th</sup> grader who plays Minecraft on the XBOX , but truly I'm extremely unique (p.s. I will give James his money I owe him tomorrow ©)
