

The Dog Across the Street

By: Fallon S.

Roxie

Hi, I'm Roxie and I'm a Pomeranian or at least that's what my owner says. I love to play tag, tug-of-war, chase, running around in circle and chasing my tail, and I also love my treats but... I also love the other dog across the street. I don't know his name but I know that he's big, and strong, and runs around all the time which is perfect! I wish I could meet him one day. But he lives all the way across the street. That's so far! And I don't know how to get all the way over there. I hope I can meet him one day.

Doug

I'm Doug. My owner is the *coolest* human I know. Well... he's the only human I know, but that's okay I only need one human in my life. I also only need one dog in my life. I don't know her name but I do know she's perfect! She's small and fluffy like me. *Wait* except *I'm* more tall, and my fur looks like a thing my owner uses to clean the floor when I run around with muddy paws. I wish I could meet that little dog across the street. Hopefully one day I will meet her.

Roxie

I'm going on a walk with my owner today! We're going to the park because my owner says I have too much energy. Apparently, I need to get *all* my energy out. Maybe that dog across the street will be there! I hope he will. Do you want to know how I would react if I saw and talked to him? This is how: I would get my tongue tied and wouldn't be able to talk at all. I want to meet him but I also don't because I might embarrass myself. Gosh, I sure hope that doesn't happen.

Doug

I'm glad I get to spend some time with my owner today at the park. I wonder if the dog across the street will be there. But there's a small chance she'll be there. I hope she is, then I'll finally get to meet her for the first time. (not through the window)

Roxie

Oh my gosh! I just saw the most amazing dog I can't wait to talk to that dog it looks like it came from the heavens. *Wait* that dog is the god from across the street, and he's here, and I'm here! I can't believe it! I'm going to go talk to him.

Doug

Guys I just saw the little dog from across the street and I think she's coming to see me and try to talk to me. I hope she does. Oh gosh I don't know what to say. I hope I don't get my tongue tied and her judge me.

Roxie

"Hi I'm Roxie" I said to the dog across the street. "Hi I'm Doug" said the dog across the street "so I know we live across the street from each other" I said to Doug. So now I'm on my way back home and I can't believe I just talked to the most *wonderful* mop dog in the world. He's PERFECT!

Doug

Wow I just talked to the coolest little dog in the world. I'm at my house and my owner and I might go to the park tomorrow again. I hope Roxie is there again. I think it's cool that we finally meet in person (not through the window).

Roxie

Ok I'm back! Did you miss me? Me and my owner just played tag, and tug-of-war, and I chased my tail and ran around in circles, and I can't believe I meet Doug. I'm going to have a playdate tomorrow at the park. Well that's what my owner said to me. I heard my owner and Doug's owner are friends now! I'm happy Doug and I's owners are friends now! And until next time Bye!

Doug

Okay I'm going to the park tomorrow with Roxie and it's getting pretty late so I guess I hope you the coolest dream you've ever had in your *wait* I have to go to bed my owner said so, goodnight.

Roxie

Ok I have good news and bad news. Good news is that Doug and I had the best day and we're going to the park 2 times a week now every week on Wednesday and Friday! But... bad news is I can't talk to you anymore. I know it's sad, and you'll miss me but my owner said so so goodbye. Just kidding! There's no bad news! But bye I'll talk another time! Bye!

Doug

Okay I just had the best day ever with Roxie! And we are going to go to the park ever week on Wednesday and Friday! Well that's what my *cool* owner said. And I need to go eat my dinner and I'll talk to you later when I have a chance. Bye!
