

The Last Chance

By Leo D.

There was a guy named Josh. He was 22 years old and he plays for the Texas Longhorns. The problem is that Josh can't catch, throw, kick or run fast. He is a wide receiver so you have to be able to run fast and catch. Josh was worried because the NFL draft was coming up. Josh went to some football fields to practice so he can be drafted. Josh asked the owners of the field Can I practice in your field asked Josh. Sorry we need it for today's game said the owner. Josh went to a different one but the owner said no. Josh didn't stop looking, he went to a different one then another one then another one until he got tired of the word no. Josh went walking around hopelessly he just kept saying "I need to practice". Then a man came and told him "you can go to the junk yard" Josh said NO that's grows. The man said it's last place to go then Josh thought about it and said Okayyy.

Josh went to the junk yard the man set up some tiers and perishoots, footballs, field goals, ball shooters, signs to hit and all the stuff he needed to become a better football player. Josh started picking up the tier but it was to heavy for him. Josh put the perishoot on his waste and ran but he had a trouble running. Josh kicked the football but it went a few feet away from him. Josh went home because it was late. The next morning Josh went to the junk yard to practice again he tried to pick up and he made it sand up strate. Josh tried to run with the parishoot he didn't struggle he ran but not super fast just fast. Josh kicked the ball but barly missed it. He tried to throw it he was so close to hitting the target Josh finally felt like he was getting better he felt like he was closer to being drafted.

The draft was getting closer and closer. Josh woke up the next morning went to the junk yard and picked up the tier and flipped it over 25 times then he went to the perishoot he ran faster and faster then he kicked the football and it went in the goal then he threw the football and hit the target. Josh felt like he will surely be drafter. Josh could hear the draft the Houston Texans select Josh Ingram. "Looks like your gaining progress" said the man. I never got your name said Josh it's Mark said the man. It was 3 weeks intil the draft. Josh went to the junk yard every day to practice til the draft came. A week past and Josh was better than normal. Then the week after that one Josh got even better. It was a week befor the draft and Josh was confident. Josh practiced for the last week to be more confident. It was time for the draft. Josh felt good. The first pick was Mike Williams. The second pick was James Wilson. Josh felt like he wouldn't be drafted. Joshes favorite team was next the Texans he wanted to be drafted by them. The third pick in the NFL draft the Houston Texans select Josh Ingram. Josh almost cried as he walked to the stage. After all the picks Josh went home excitedly the day was practice day. Josh was kind of scard he didn't know the players. When they started practicing Josh was better than everyone. His team practiced till the season started. It was the day of the season it was the Texans vs Jaguars/ The Texans got the ball first they ran it for 10 yards it was first down. Josh tried to get open he did a slant Josh ducked the blocker the QB threw it to him. Josh ducked 1 player then 2 then 3 then for 30 20 10 touchdown Texans. The rookie Josh Ingram of the Texas Longhorns the score 7 to 0 12:53 seconds to go. Jagwars have the ball the Texans stoped them from making a touchdown but they made a field goal. The game was over the Texans won 21 to 10. Josh was happy me made 2 touchdowns. The Texans got the ball back they passed it to Josh He broke one tackle then another score and made a touchdown the score was 10 to 7. The game ended it was 36 to 33 the Texans lost there record was 1 to 1. Their 3rd game was against the Titans the Texans got the ball Josh got the ball he ran it for a touchdown!!!
