The girl who had Hope

This girl named Jazzy was poor. Her family had no money. She ate nothing. 2 years later she went to the woods she met an angel there she was crying because there was A huge dinutor happened 3 years later the mom and the dad were tired of being hungry so they got the family together and they brainstorm. Jazzy said homes are made out of brick and wood what about plastic so the mom said we can build for homeless people. In 3 monthes they built 20 homes and 1 for them selfs. The government gave them 200,000\$ for all there hard work so they had food, cloth, and shelter. But then a explosen heppend be cause darkness was coming but she died because of it. 3 years later she asked god wathat Happning god showed her it was horrbol it was glommy and evry one was misribol so god gave her life back so she got her family and batteld the darkness. It got wers and weres each time they lost but then she won the batttel and became the princes of HOPE! Because she hoped that life is good!
