Smart at Failure

On January 1st a special smart baby girl was born. The parents named her Pumpkin. When Pumpkin got older she was the smartest 1st grader in the school. She passed all of her classes and the whole elementary school. When Pumpkin got to 6th grade in the middle of the year she started failing!!!!Every time she tried her hardest SHE STILL FAILED!! Everyone started whispering that she was failing and soon enough the whole school knew that the smartest girl ever FAILED. Everyone started saying mean things and teasing her then Pumpkin heard one kid call out ZERO, ZERO PUMPKIN IS NOT A HERO!!! On the next day of school when she got there she wasn't her neat perfect self her mascara was smeared she wore a garbage bag and no make-up she had bed hair too. Pumpkin's bff came over and said WHAT IS GOING ON YOU ARE NOT YOUR SELF Pumpkin told her friend I DON'T CARE ANYMORE. By the end of class pumpkins bff was standing on a bench in the middle of the floor she had to announce something she said LISTEN UP EVERYONE MY FRIEND PUMPKIN IS MESSED UP BECAUSE OF YOU GUYS PUMPKIN IS THE GREATEST PERSON AND YOU Can't TREAT HER IN A REAL MEAN WAY YOU GUYS DON'T KNOW HOW IT FEELS FOR HER TO BE THAT SPEACIAL!! The next day she told her mom and dad everything. We are very upset you may be special but you will be grounded for today said her mom and dad. Yes, mom and dad said Pumpkin. When pumpkin went to school everyone cheered her even the cheerleaders cheered her Pumpkin felt like she could do anything. Today was a benchmark test when she finished the test the teacher graded the test and she PASSED the test. Pumpkin felt like she could do anything she felt special the ever
