

# Dragon Pet

By Josh L.

Once upon a time there was a little girl and her name was Chloe. Chloe liked to play with fairies and she was not scared of them even though she was nine. One thing was not right...she did not have a pet. That's why she was playing with the fairies. Every day she went to a special pet store but she did not want to just have a fairy. She wanted something special like a dragon or an ogre.

She wanted to have a friend so she went into the special pet shop then went to the counter and asked the manager, "Can I get a dragon?". He said, "yes, you may have one. I've been saving one for you." Chloe said, "How did you know I wanted one?" He replied, "because you have been coming in everyday and looking at the dragon box, so I scooped out a special one just for you. It has a blue and white tail with a red spine and a red head."

Chloe talked to him and said, "Did you know my favorite color is blue?" The manager was surprised because it was his favorite color too.

Chloe bought the dragon and took the dragon home. She showed her mom and said, "Hey mom, look what I got at the pet shop. Is it cool?" Her mom says, "Yes, it is cool. You got what you wanted? Right?" Chloe said, "Yes and it has my favorite color. Now I can put it on my shoulder and people would say that it is cool for me and I can make friends."

Chloe decided to take her dragon to the park where the fairies are. Chloe introduced her dragon to the fairies. They were excited that they have a new friend to play with.

And they lived happily ever after.

The End.
