

THE INCREDIBLE CAPTAIN DRAGON

Chapter 1. THE CAPTAIN

Once upon a time, a mad scientist mutated a persons' DNA to a dragons' DNA, but the experiment went wrong. Instead of a stronger dragon. The machine made it into a human living dragon. He went wild, but when I say wild I mean wild. He went out and scared every person. The military came and fought and captured him. They sent him to the royal time, where other dragons lived. The dragons told him how to use his powers. He trained for 32 years. Then he was the greatest dragon in the universe! They called him Captain Dragon. He was the master of all dragons. He battled kings. But one day all the kings had a meeting, they all said we must stop this dragon before he destroy the kingdom, but when the kings finished they hired a great Dragon Slayer!

Chapter 2. Nooooo!

So the dragon slayer went to the dragon's cave. He yelled come and fight me dragon. Captain Dragon came up to him and said HA HA HA you really challenge me? So then they fought. The Dragon Slayer fought really hard and strong. But Captain Dragon got captured. The Dragon Slayer brought him to the kingdom. The king said go downstairs and get your reward. So

the Dragon Slayer went downstairs to get his reward. The king grabbed an axe, and chopped off Captain Dragon's tail. The roar of Captain Dragon scared everyone in the castle. Then they send him back to his cave. Eventually he healed. But he wanted to destroy the kingdom. So the dragons had a plan. At midnight they would attack the castle, so it was midnight. The day the kingdom will be destroyed. The dragons surprise the castle. The kings tried to get ready put their weapons and armor room I destroyed! The Dragon wins. Finally there was peace for the dragons.

The End.
