

## Bad Dog by Ray W.

Hi! My name is Max. I'm a dog, a very bad dog. Sometimes I pee in the house. My owners get mad when I go potty in the house. My owners names are RJ, Ray, Jessica, Calysta, Celeste. That is all five of them. Jessica is the mom. Celeste and Calysta are the sisters. Ray is the dad and RJ is the young one. Celeste is the oldest one of RJ and Calysta. Calysta is the middle. Now about me. I love socks when they are dirty. Ray made a bone out of a sock. I like to go under the Christmas tree because I drink the water from the tree. That's my owners mad. Final thing I'm a German Sheperd. They even get mad when I bite their shoes. They don't know that I want to play. They even get mad when I pull their ordments off the tree from the bottom. I'm bad when it comes to baths because I jump out of the tub. I think that they get mad at me when I start to cry at like four am. I think that I'm annoying to all of them at night and in the morning because they are getting read in the morning. I think they get mad when I bite their toes.
