

## The Friends and the Bully

By Nimrah  
North Pointe Elementary

It was a long day at recess in school. There was a girl named Nimrah. Nimrah had no friends, so she started to look for some friends. Nimrah wanted to be friends with this girl named Elle. She asked Elle, "Can I play with you?" Elle said, "Yes!" Elle asked Nimrah, "Can we be friends?" and Nimrah said, "Yes!"

Nimrah and Elle became friends and had such an amazing time! They spent time doing arts and crafts together! A year went by, and Nimrah and Elle were in the same class and were still friends.

In their class, there was a girl named Yakira. Yakira knew Nimrah's aunt. Nimrah asked Yakira to be friends with her and Elle, and Yakira said, "Of course!" They all became BFFs!

Soon there was this bully that said Yakira talks badly about Nimrah and Elle on the bus. Nimrah and Elle were in shock! They wouldn't talk to Yakira and didn't want to be her friend anymore.

One day, Yakira came up to Nimrah and Elle and said, "I'm sorry. All of that wasn't true!" Nimrah and Elle knew that Yakira wasn't lying, so they forgave her. Nimrah and Elle and Yakira will always stay friends, NO MATTER WHAT!
