The owner said, "Yes, I am so sorry. You can have your dog back. I found it at a store on sale."

"Thank you. I love my dog so much. Thank you."

So then, Tim gave the man something. Tim gave the man a keychain of the dog and said, "Whenever I want you to puppysit my dog I will call you."

The man said, "Okay. Thank you so much."

So, Tim left to go home and took his dog with him. "Good night," he said. "Good night," the man said.
