Korea dreams

One day a 20 year old woman from arizona named Milly took a trip to seoul Korea. Let's just say... A-lot happen When Milly woke up at 2:10am she packed 11 outfits, 12 pairs of pajamas. and shower stuff. At 3:50am her plane took off to Korea.

When she landed she got off the plane to hear the lady say “환영”. Milly said “i'm sorry?” in confusion. The lady said “i'm saying welcome in my language”. Milly was amazed on how she said that to all of the plane guests. After she walked away she went inside to the food court. She got the ‘grande soy latte’ from the starbucks and then she left.

When she was done with that she booked one of the nicest hotel in seoul called ‘four seasons hotel seoul’.when she got to her hotel she was amazed by how beautiful it was. She checked in and got a room. She was really tired when the got there so she just put on her onesie and layed down on the cloud like bed.

When she woke up it was already 11:15. She was used to waking up at 7:15 to go out in the mornings. After

After she asked, she saw the ladies name tag said “우스운”. 우스운 said “날으는 팬 파랑은 훌륭하다”.Danielle had 2 main questions to ask. First, what did she just say. Second, how do you say your name in english? Of course she asked “what the heck did you just say woman?!” first. The lobby worker said “i am so sorry, i speak english but it's my job to answer it Korean, my name is Cenida but i have to have this stupid name tag. I literally hate this job. Cenida said "really,that sounds like an amazing plan! I think we should go get breakfast and get to know each other. I was saying the flying blue pan is a really good place. Wanna go there?". Milly went with cenida to the dinner and they both got the joyce tea and a some berry pancakes. While they ate they told each other all about themselves. They became BEST friends. When they were done with their food they went back to the hotel. Milly went upstairs to her room while cenida went to the back of the hotel to quit.
