

# The Dog

There was a girl named Sara .Sara was 13 years old had only a father because her mother left them.When her mother left sara changed from happy and excited to sad,lonely and unhappy. Sara shutout her sister and father . Even tho she was sad she had a wish for a dog to share her misery with.

## One day...

Sara's father picked her up from school early which was weird and she was suspicious, but went along with it. He took the long way home and stopped in the plaza.and said.... GET OUT a lot of thought where in her mind is he ditching me too, does he still love me? He covered her eye and lead her to the ...pet store.She was sooo excited sara already knew that they where for her to pick out a dog they finally got a dog and sara started opening up to her family ,then made friends,eventually was as open as before.

## 2 Months later

But then....“Ooh NO dad,sprinkles is missing!!”Sara shouted one saturday.” Did you look for him”Sara’s father answered.”Yeah not their”Sara answered”Can we hang up posters?”  
“Sure.”

## Later that day...

After she got ready she meet with friends to hang up posters.They hung up the posters. Waited..And Waited. Sara couldn't wait a minute longer she got up and started a search party with her ,her sister Natalie and her two best friends Grace & Abigail.They looked all around the house twice and in the back,then made their way to the plaza,then pet store,grocery store,pharmacy and then..The school sara didn't like school plus the kids at school where totall DRAMA Queen & Kings,like super

dramatic.they looked NO sprinkles or crazy kids."The dog park."natalie shouted."sprinkles loves it there." they went to the dog park no sprinkles.the sun was setting so Abigail and Gracie went home.

Sara and Natalie went home as well..Their dad came home and said what a normal father would, what its alright and they will find him. She didn't believe him because that's what he said when her mother left.

## 2 days later...

"I still can't find him dad." Sara said."let's look after school later ok?" "ok"..

## Later....

"Let's check town square." her dad said eagerly.

"Sure"sara said sarcastically.

They drove there no sprinkles. The pet store was next, they looked and looked...THEY FOUND SPRINKLES!!!!Sara was soo happy & surprised.She the ended up getting more friend and a great dog grew up got married had kids and still had great friend and a dog...
