

# DINNER IS SERVED AT CAMP EAGLE

By: Aston R.

“Hey who ate the cereal?” “Nobody ate your stupid grain cereal Nat.” My brother’s name is Nat, but I call him Nat for a different reason he is always bugging me like a nat. He’s the school jock quarterback of the team always bragging about his team position and how good he looks even though were twins. He also totally hogs the dinner attention.” Hey, can you two get along for just one minute?” “Sorry mom” Said Nat, “Sorry.” “so, on another note are you two packed for camp yet?” Me and Nat groan we do not want to go to camp. I go and get my bags Nat does the same. Usually I just play video games for the summer when Nat is out with his girlfriend he’s totally obsessed about. But this year we’re going to this camp called Camp Eagle. I heard it was a nice camp, but I did not want to go there are no electronics! “alrighty boys we’re here,” “yay” me and Nat say sarcastically.” alright you boys stay safe love you” “love you bye.” “Hey kiddoes I’m your guide Nat and Jake? “Yes,” “Nice to eat you I’m Maddox.” I swore I heard nice to eat you I’m not going to ask just so I can embarrass myself on the first day. So, me and Nat just follow him to our cabins they’re nice few kids already settled in private bathroom there’s one bunk bed left not bad “I call top bunk” says Nat, “ok I’ll be on the bottom where I’m safe.” “Safe? From what” “oh you know the cannibals” “what dude were in the 6th grade nobody believes in monsters anymore!” “ok just wait they love climbing through that window to grab and get out fast I heard.” “A-actually I’m going to sleep on the bottom not because of your dumb story only because I’ll get up easier” I got him Nat is so

gullible now I get the top bunk as I wanted originally. For the rest of the evening we had introduction we were shown around the camp for a bit you know normal stuff but then we had lunch and it was weird it was a burger, but it was different but good kids kept saying it was kids from the man-eating monsters, but I thought that was silly. "Hey, does this taste weird to you" "Nat asked me "ya weird" "it's the children for last year" a random voice tells us "who are you" me and Nat asked him "oh I'm Zack I'm new too." "how did you know were new?" "well is obvious you don't know about the cannibal rumors?" "oh, we know i heard the legend but yes were new." "hey um I know we haven't known each other for long but me and my friend need two more kids to help us out as extra lookouts were staking out the councilors tonight see if the rumors are true want to come?" Me and Nat look at each other and nod and agree to come with Zack. "Aright come on be quiet" Zack whispered to us. At that point I was questioning what I'm doing "hey let's go back" I sheepishly say, "chill were almost there" "Were here wait look" Zack tells us, but I wish I hadn't looked because I saw a counselor dragging a sleeping kid or I think he's sleeping in the counselor cabin. "Let's feast as this is a new year a new year of fresh food" wait tha-that voice is familiar wait oh no that's Maddox. "HEY, WE SEE YOU GUYS GET THEM MORE FOR THE FEAST" oh crap we were spotted by the time I heard them I was caught and taken into the cabin "HELP HELLLP" I scream "no one can help you now" Maddox tells me with a grin on his face. "AHHH" I wake up scared wait I'm alive last thing I remember is being in the counselor cabin 'what's wrong Jake?' its-its

Maddox “um nothing bad dream that’s all wait where’s my brother and Zack?”

“They’re already in breakfast” “in breakfast? ok what for breakfast?” “you” those

words sent a chill down my spine “M-me” “Yes you” just then he lunges at me I’m

scrawny so I can’t put up a good fight seconds later black.... “Man, these burgers

are good wonder what they’re made of?” “Hey, follow me I’ll show you” “who are

you?” “I’m Maddox now follow me.” “alright” ‘W-W-WHAT THE HECK WHO ARE

THESE PEOPLE” tears falling. “well its lunch” Maddox adds “now we need dinner” “who-whos dinner” “YOU” “NO NO NO NO NOOOOOOO” screams.

“Alright

kids dinner is served!
