Super Megan

Boo! Oh no! Was that thunder? Megan had been at a birthday party all evening, and hadn't noticed that the weather was starting to get stormy. She began walking quickly, hoping she got worse. Soon it was dark. The rain was pouring and she saw it reflecting off of all the buildings around her. She was trembling. Uh oh I should fly instead. Megan didn't like to use her super powers all the time, but she decided that flying might help her get home more safely. She started spinning around and around to transform into Super Megan, and then took off flying into the air. Then Megan heard a loud sound in the air. Crash! Crash! A car flipped over and everyone in the city gathered around. Some people were trapped in the car. Megan used her super powers and the car flipped and stood up. And the people who were trapped in the car were safe. Then the storm went away and the whole city was saved. After that Super Megan went back. Megan felt sick, her eyes were red, her nose was stuffy. Megan's mom said, "What happened, sweetie?" Megan said to her mom, "I think I am sick in a stuffy way." Megan's mom said, "Go to your bed and take a nap and I will come in just a second, sweetheart." Megan walked to her room. When Megan transformed back, her mom came in, her bed, and had medicine in her hand. After Megan transformed back, she went into her bed and took a long nap. After six minutes later, her mom knocked on the door with the medicine. Megan heard something at the door. Megan opened up the door and her mom said, "Was there?" Megan's mom said, "Did you have a great nap?" Megan said, "Yes, I felt better than last time, mom." Megan and her mom were sitting on the bed and Megan was drinking her medicine. Then it was night time. Megan and her mom were saying good night, sweetie. Megan said, "Good night, mom." Last night was in the morning. Megan's mom said, "Wake up, my little angel." Megan's mom woke up earlier because she had cooking class. Megan went to the bathroom and washed her face. She went into the kitchen and grabbed a bowl and a box of cereal, milk. Megan's mom told Megan that she had cooking class because she wants to try out. Megan said, "Okay, that is fine with me." Megan's mom went out of the door and drove to her new job. Megan was eating her cereal and watching the TV. Then Megan saw there was a new evil villain town. Megan fought the evil villain and continued fighting.
