

## NEW GIRL IN TOWN

ITS ALL ABOUT LOVING YOUR NEIGHBORS There was new neighbors next to our house , There was girl name Emma moved new in our neighbor . Next day me and my sister went to see her home and ring the door bell . she look very shy to see new neighbor , I said hello my name is Rumaisa and meet my little sister Sofia we baked some cup cakes for you she said oh thank u so much she said meet my two sister lea and Mia and this is jack my brother i said wow you have a big family i have only one sister , so you wanna be my friend she said yes i loved to be your friend .Emma also started at the same school i went to i told her see you tomorrow at school she was happy to be my friend .WE went back to our house i saw mom was in the kitchen and dad was watching Tv mom gave us dinner and then we went to bed to sleep next morning when i woke up i was happy to go to school to see Emma i rush up in my dads car wear my seat belt and ready to go to school then he drop me at school when i got in to my class every body was saying hello there is a new girl in our class Emma . i was happy to see Emma in my class i unpack my backpack and teacher tells every body this is Emma our new student then we started working on our studying math after that we did reading and went to computer class after that it was time for break for 3rd grade . we went to the ground start playing we did monkey bars also then we sat under the big tree relax and went inside cafe and eat our lunch me and Emma shared each other lunch she bought cookies and sandwich and i took pizza and fruits , After the break we went back to class and start study and in last we got our home work and Emma looked sad and dizzy she had fever teacher took her to the nurse and after some time she went home . When i got home i ask my mom lets to go and meet Emma she was sick in the school my mom made some chicken soup for her and we went to her house her mom open the door and said Emma has fever we took her to the doctor now she is feeling better , i ask her mom that can i see her she said only 5 min because she is resting on her bed i went in her room she was happy to see me i told her to take some rest i will see her soon ,then i went back to my house . Next day i went back to school i told my friends to make get well soon card for Emma ,after school i take all cards to Emma house and gave it to her she said thank u so much you are so caring Rumaisa . After 2 days she came back to school she was looking perfect .now me and Emma are best friend ,we play on weekends some time she come to see me and some time i go to her house to play and we study together .I love my neighbors and hope our friendship will stay together forever .
