This is a story about a boy named Rudy. He is 16 and he's very poor. But before I can tell you that story I got to tell you this story. When he was little his mom got him a dog named Ruffs. He was a little cute bulldog. He was so happy. It was just him, Ruffs and his mom. One day on his 16<sup>th</sup> birthday. His mom was coming to get him and take him out to eat. He was talking to her on the phone when he heard a scream. It was his mom's scream. Then he heard a BOOM. CRASH. His mom said something. He couldn't hear her that clearly but she said this "call for help" she said in a weak voice. So he called the hospital. Told them they rushed to the scenery. He had no car so he couldn't go down to the hospital. They called and said "your mother Ms. Alex died from a bad car accident. We did everything we could but sorry." He cried and cried and cried till where was no more water in his eyes. So he lost him mom that day but at least he still had his dog and shelter. But he was wrong his mom died right before she pays the bills. So he lost everything. Expect his dog who stayed by his side. So that's why he is poor and living on the streets. (With his dog Ruffs of course). So he was all alone in the city with no one but his beloved dog Ruffs. One day when he was eating a moldy sandwich someone through out of their car. Ewe right. But what he thought was foooooooood. That afternoon his dog say a squirrel. So Ruffs chased that squirrel. Rudy said "come back boy". But he didn't listen he kept running till he disappeared. So Rudy started to cry. And that cry turned into a yell. Then that yell turned into a scream. Then after he stopped crying he said "I need to get my life together". So he got a piece of cardboard someone threw out the window. Litter bugs right. And got a pen that fell off of a pen truck. What he wrote on there was "I will mow your lawns clean your house or do anything. Only five dollars to do. One car stop it was a man and had Ruffs and said "Is this your dog?" "Yes it is" said Rudy. "And are you looking for work"? "Yes" said Rudy "Then hop on in". "okay" said Rudy. So he mowed the man's lawn. Cleaned the women's shoes. Then one day they said "Rudy do you have any family"? "No" said Rudy. "Why?" We want you to be part of our family. And what do you think he said reader? He said yyyyyyyyyyyyyeeeeeeeessssssssssssssssss! So Rudy and Ruffs became part of their family.
