

# THE HALL OF FAME COUNTDOWN

By Omran

Hi my name is Sarah and I'm so excited for today. Today is Friday, July 19, 2017 and it's the start of *Hall of Fame Countdown*. They named it that because it's almost the last day of school. Whoever wins gets their name put on the school Hall of Fame. What it is, they give us challenges. Each challenge gives your team points. Whoever gets the most points wins. It's 1 week long. The teacher picks your team. Karam and I are ready we hope we were together.

## Going to school

When Karam and I get to school we see Lisa Anderson school bully. Everyone cleared a path for the bully. When she left everyone started talking. Mean Lisa Anderson is the meanest of the mean. She steals from candy stores and sleeps on the cold freezing floor of her driveway. I hope everything goes good. I'm not letting mean Lisa Anderson ruin this.

## In the Classroom

When Karam and I got out of the classroom. We saw mean Lisa Anderson walking to school. Mrs. Grace started to talk "Hello class today we are starting Hall of Fame week". Then the teacher pulled out the names Karam and "Please be me". Lisa Anderson and Jeremy. Karam and Sarah. "Yes!" Karam meet at the store". 3 days later we challenged Lana and Wisal to race us. I get ready."3 2 1 "!" "Go"! I race down the field as fast as I can. Yes we win! We get 5 points for winning.

## Winning Hall of Fame Countdown

It's the final day of *Hall of Fame Countdown* and I'm so excited. After, that we walked into the classroom. When we went outside we challenged a spelling bee against Lisa and Jake. We won it Yes! I said to myself. When we walked in we had won the Hall of Fame Countdown."YES"! WE WON! They put our names on the Hall of Fame and we ate Pizza and partied.
