

By Tala F

It was a dark and stormy night. I was walking in the woods with my dog named Stella. I stepped on something wet. I turned on my phone's flashlight. "It's just mud," I said. "I thought it was blood." "BOOM!!" Stella ran to an old creaky house. "Someone's a scary cat," I teased. I sighed. "Stella!!!" I yelled. I ran to the old creaky house. "Stella, come out come out wherever you are," I said. Stella was in a box. She jumped on a table. Something flew over my head. "Welcome," someone said. I saw a guy about the same age as me. "I'm Jack," the guy said. "I'm Abby," I said. Jack was drinking something red. "Want me to suck your blood?" Jack said smiling. "What the heck, no," I said. I ran to the door, but it was locked. Stella jumped off the table and ran upstairs to a room. "Stella!!" I yelled and ran upstairs following Stella. "You can run, but you can't hide!!" Jack yelled. I ran into the room where Stella ran to. "Don't jump out the window Stella," I said. Too late, Stella jumped out the window. "Oh boy," I said. I slapped my head. "I'm coming to suck your blood!" Jack yelled. I had no choice, but to jump out of a window from a ten story house. I moaned and then I jumped out the window and screamed on the top of my lungs. "SPLASH!!" I fell in a lake. I saw a shark swimming towards me. "Great, now I'm wet, I fell in a lake that has a shark swimming in it. Can this day get any worse?" I said to myself. I scrambled out of the lake. "I'm coming," Jack said flying out of the window. I took out my phone and shined the light on Jack. "On the bright side, at least my phone is waterproof," I thought. "NOOO!!!" Jack yelled. Jack turned into dust. I shivered. "Stella!!!" I yelled. I saw a full moon. I walked into the woods. Everything was slimy and blue. A bush moved. "Who's there?" I asked. Stella jumped on me. "Good to see you again Stella," I said laughing. Stella was licking me like crazy! We sat on a big rock. I closed my eyes for a minute. When I opened my eyes I saw a doll on the ground wearing a black dress and has blond hair. The doll was all covered in mud. I picked the doll up. I read the doll's name that was on the back of her head. "The doll's name is Zelda?" I asked myself. "DON'T MESS WITH ME OR DIE!!!!!" Zelda yelled. I dropped her and called Mom on my phone. It took Mom a few minutes to get to my location. "Get in Abby and Stella," Mom said. When we got home, Stella and I took a nice and warm bath together. I changed into my PJs. Stella and I went to bed. I

lied down and closed my eyes for a few minutes. When I opened my eyes I saw Zelda on the ceiling. "AHHHH!!!!" I screamed. I sat up in bed. I looked at the window and it was sunny outside. "It was just a nightmare," I said. I looked at the window again and saw a zombie flying on a broom. "Oh boy," I said. I walked to my closet and opened the closet door. I saw Zelda!!!! "I told you to not mess with me, but you didn't listen so you will DIE!!!" Zelda yelled. "AHHHHHHH!!!!!" I screamed.
