## Chapter 2 the first day

It was the most weirdest day in school everyone was being so quiet and when you're in highschool thats not normal. I went to class like regular until i noticed jack's class was going to come to our class for book share and play share my stomach had butterflies in it he walked in and i could hear something in the background it was someone calling my name suzy suzy said a soft voice i turned around and saw my teacher had a mad look on her face she said suzy get up here and share your book now i slowly walked up to the front of the class and grabbed the marker and froze like a tv dinner. I ran out of the class room in fear and i ran to the bathroom and into the stall i stayed there till i noticed that there was someone in there with me. Hello are you ok said a distant voice. I slowly walked out and saw a girl with brown curly hair and a old rock band shirt on that had holes in it and some old pants. Hey are you ok said the mystery girl. I said no not really. She said well don't worry we all have bad days. I slowly started to walk out when she said what happen. I thought nobody cared about me or even bothered to talk to me im ran back into the restroom and told her what happen. She told me that she had just moved here and that she really had no friends so i was her friend her name was gina and she was the best friend ever.

## Chapter 3 the second day

I was walking to class when jack called my name i turned around and he was walking to me i froze and he walked right next to me without even saying hi i turned around and saw his friend they called him suzy i don't know why i think it was just a nickname. I kept walking to class until i noticed gina was crying to her next class what's wrong gina i said nothing she said i said well somethings wrong cuz your crying so whats up i said. Jessica was bulling me saying that i was stupid because i am your friend gina said well are you still my friend i said well i don't know i have lived with being bullied all my life said gina.
