

Drool Face!

By: Kímorah L.

"Sage! I'm warning you!" said my bestie Delilah Corley. I know, I know he's a bad one but I just **LOVE** him. The way he smiles, his sense of humor, and **OMG! His MUSCLES!** "OK, but don't say I didnt warn you!"

2 weeks later...

Hi, my name is Sage Mapel Donovan I live with my mom Gwen Kenzie Donovan, my dad Bruno Colton Donovan, and big sister Kylie Simone Donovan. AAAAnd...here's the story of how my "knight in shiny armor" Branden Dexter Cruz got me to the bottom of the popularity list and got me the nickname 'Drool Face'.

RINNGGGG!

"Hey Sage!" Branden said with his big bulky football jock jacket on and his aqua blue eyes staring at me. "H-hey B-Branden." I smiled awkwardly. Was he really talking to me or was I dreaming again? Out of

the blue Delilah came and saved me from drooling (a habit I have around him) I waved BBYYEE Branden and he waved with a questionable face!

Going to second period I looked at the event wall across from the amphitheater and stared at it until a light blue paper caught my eye. It said **'Long Island HS Football game on 4/26/2019 6:00 p.m FREE! Snacks all 1\$.** I daydreamed about seeing branden and me kiss for a ridiculously long time under the bleachers after home team won the game for what seemed like forever. After that I was sure to go to the game. I told Delilah about the daydream and how I was going to the game and asked if she had wanted to come. She told me "of course as long as I help her with her Latin project". And for some reason she keeps reminding me how she would only ship me and Branden if he wasn't a player.

At the game...

I had dressed up in a black skirt and a football croptop to impress him just in case my daydream actually came true. I brought extra napkins in case I drooled again, can't ever be too cautious HEHEHE! The game finally started, and I bought snacks for me and

Delilah. When I saw Branden run out into the field, I almost lost my voice and the people sitting next to me's hearing from screaming. "sorry" I said. but they just looked at me crazy then moved away. Delilah and I laughed.

End of Game...

"AAAAHHHHHHH!! YEAHHHHHHHHH!" the crowd went crazy, but I went crazier when Branden scored the winning touchdown. I ran onto the field bumping into almost everyone, and yelled "You were A-M-A-Z-I-N-G AMAZING BRANDEN!!" and hugged him. Here was the shocking part when I moved my face HE KISSED ME for a ridiculously long time. my daydream actually came true except in the middle of a football field. When I bagged away the worst thing ever happened... I started drooling like it was **PUKE! CLICK CLICK!** Branden and a populer girl (Rose Cafman) were really putting me on memetube as "#droolface manners much?" It actually got to **19,093,878,045** hits! The world is just so cruel. I **TRUSTED** Branden.

The Next Day...

Delilah came up to me "Are YOU OK? SAGE?".
"Does it look like it Everyone is calling me
DROOLFACE!" I busted out into tears Delilah comforted
me. "When are you going to talk to Branden? I mean I
did warn you!" Delilah said I avoided Branden all day
until..."OK!! IM SORRY!! I can't t-take it when your
mad at me. **I AM IN LOVE WITH YOU SAGE**
DONNOVAN! I'll tell Rose to delete the meme or I'll tell
one of her deepest secrets" said Branden pleading to me.
I forgave him only if he let me go talk to Rose with him.
thankfully Rose deleted the meme and DRUM ROLL
PLEASE DUN DUN DUN DUN me and Branden are
now official! WELL! That's the story of my knight in
shiny armor!!
