Once upon a time there lived two cats one male one female. The male cat is named Josh and the female cat is named Madison. But there is one promble they did not get along. But then a magicl bird flew over the cats heads then cast a spell on Josh and Madison and turn them into snakes! “oh no we turn into snakes” said Madison. “This is cool” said Josh. They went to tell their mom and dad when they got to their home their mom was so shok “kids what happen” said mom “we got turned into snakes mom” cried Madison “How will we turn back to cats” said Josh. But just know the kids are 8 years old. “How did you even get turned into snakes” Mom asked “a magil bird flew down and casted a spell” said Madison “what if we try to find bird and tell him to turn us back to cats” said Josh. “That is a good idea”. So pack their snacks and water and went to find the bird. “I’m so tired” said Josh. “Omg is that the bird” said Mom “yes it is” said Madison they found the bird. “Now we just need to ask the bird to turn us back” “ hey bird can you please turn us back to cats” said Josh.
