

Zuri W., 3rd Grade

Twins Part 1

Once upon a time there were twins whose names were Zuri and Khalilah. The twins did not get along. When it was their birthdays they argued about who was the oldest, even though they were twins. They argued so much their parents would have to calm them down.

One day they finally agreed to stop arguing. They decided to be kind to each other. The very next year for their birthday they agreed to have a nice family dinner.
