

The Secret Admirer by Alexis J.

This story is about Sophie who would do anything to get Dillan to like her. This is the way it happened. The first day Dillan came to school, Sophie knew that she loved him. So, one day she wrote a note saying,

Dear Dillan,

I think you are the one for me. Your shiny hair, your chocolate eyes...

-unknown-

She slipped it in his desk and the next day he found it. Sophie had a huge smirk on her face.

Dillon looked around the room mysteriously. He thought, "Who could it be?"

Then Ms. Jewel walked in and said, "Hello, students".

Everybody said help back. She taught her lesson..... *ding, ding, ding* Lunch! At lunch Dillan looked for whoever wrote the letter. Sophie went out of lunch to write another one.

Dear Dillon,

I wish you were my friend. I would always love you.

-unknown-

I slipped it in his locker. I went to bio which Dillon is in.

Dillon looked around the room. He realized it was Sophie who had been writing the letters. He walked over to her and said, "Hi!"

Sophie blushed so much.

He asked, "Are you the one who has been writing the letters to me?"

Sophie said, "OMG you figured it out! Would you want to be my friend?"

"I'd be happy to", replied Dillon.

That's how Sophie and Dillon became friends.
