Miled the Cat and Super Cherry!

Once a bad cat named Miled tried to eat his owners Cherrys.

He licked it but he didn't like it.

It was as if there were a light show of a hero being born – Super Cherry!

He could fly, talk, and even understand.

But one day long after, he heard the sound of stomping feet. Claws scroting the ground, and everyone running into there houses, because of a T-rex! A-a friendly, but huge one.

Dino: Hi little cat and little cherry. Super Cherry: You are huge. Miled: No! Not huge. Humungos:

Dino: So, little guys, wanna be BFF's or what? Super Cherry: Only if Miled agrees. Miled: S-S-S-Sure! O-of corse! I will! Narrator: So they became Frends –

-In Miled's dream!
