

“SOCCER”

Lucas T.

Leo really wants to play soccer. But can't because he does not have enough money. So he thought about selling cotton candy to raise money but you need lots of things to make cotton candy like the machine, sugar, flavors, etc... he needs \$50 to get all this stuff and lots of hard work. This will make lots of money and Leo needs \$75 so he can join the team. The team he is trying to join is #1 in the league also they are #1 in the state they are also undefeated will Leo make enough money to join this team?
