The Life of Time

Some days are hard some are not but we hab are differnces. Some people love school some don't. I love school and I hab the best teacher her are there names Ms. Taylor, Ms. Rocha and Ms. Rhodes. I hab the best family but her is my story. If you don't speen time with your family you will not remember some this about deme. The life is shot. But time is big. Wene your dad and mom die don't forget deme because if you don't you forget the good things that happen. Don't forget the live of your time because the life is shot and the time is long. It's the best that you hab. Don't forget the life of time because you hab the power of time in your hand because you hab it right now.
