

# The Old Horse

By Alix L.

## Chapter 1: Farm Boy

Hi! My name is Aiden. And I am 2 years old. I am a horse and I am going to tell you my story.

Once upon a time, there was a little foal raised by a little boy named Owen. Owen was poor and kind. He wanted to take a walk with me every day. And one day, we went for a walk. Owen, my owner, went to the forest. He wandered and wandered. I was just walking. Then, he stopped and cried. "We are lost!" He said. He said to me "Aiden! Do you hear me?" I, myself, did not care. He said it to me two more times. Hopefully, he had bread, a soup and ten or twenty cookies. We found a place to sleep and he had a blanket. The next morning, we were stuck in a giant cage! Then, I felt pressure in my heart. I felt worried! Owen was stuck in a cage too. We were kidnapped! I was going to wake up Owen. Suddenly, I was shocked! "Oh no! What have I done!!" I said. Then Owen woke up and gasped.

## Chapter 2: The Kidnappers

Then, the robbers came in. I was worried! But they just go to Owen. Then, I rushed to get myself out of the prison. One slipped because of the chain power. Then I cracked a chain and then another and after another. I finally ran and knocked the kidnapper. Owen was safe, but asleep. I walked Owen in the forest. It was creepy. I was brave! I rattled a little bit, but when I... went to the house, the mom screamed "Aaaaaahhhhh...". She grounded me and put me outside and said, "Go away, you old four legs-beast!" I was sad and worried; it was my two feelings! Until... I met a dog! It was alone and I was frightened.

## Chapter 3: The Lost Dog

The dog was sad. He told me that he got lost and that his owner was sad. Then he told

me this: "I need to find my owner!" I suddenly felt emotion: I felt sad again! My tears fell on my face, then I smiled! I wanted to find his owner! Then we walked and walked. Then we found some flowers. It was strange! Then the dog said "That, that, that, that's my owner's house!" The owner opened the door and the dog jumped in his hands! "I love you!" He said. "I love you too!" He said to me. I was happy! I liked him for 8 years. Then I was in good feelings until...

#### Chapter 4: The Lost Girl

The dog was sad. He told me that he got lost and that his owner was sad. Then he told me this: "I need to find my owner!" I suddenly felt emotion: I felt sad again! My tears fell on my face, then I smiled! I wanted to find his owner! Then we walked and walked. Then we found some flowers. It was strange! Then the dog said "That, that, that, that's my owner's house!" The owner opened the door and the dog jumped in his hands! "I love you!" He said. "I love you too!" He said to me. I was happy! I liked him for 8 years. Then I was in good feelings until...

#### Chapter 5: A Family

Then, we returned to the dog's family. The man looked at the girl. She told him the story. Then he decided to keep her. He gave her a dress and invited me in. We ate until it was time for me to leave. The man did not want me to leave. So, I nodded. And the man said "Ok!" So, this is the end of the story for today. I will tell more stories when I am grown up! Bye!

Song: We are, we are, we are family! We are, we are, we are family!

Grandma: We are, we are, we are ham and cheese! No! Family!
