

# Paisley's Shocking Adventure

By Emelyn J.

What are we having for dinner dad? Said Stacy. the frozen pizza in the freezer, said dad Paisley was shocked. Her being eaten! She jumped out of the Fridge in surprise.

She asked the smart board. I'm gonna be eaten? I'm gonna be eaten! Screamed Paisley! That's what Pizza's do. Get eaten. Said Smart board. But! said Paisley worriedly. Sorry Kid. Said smart board. I'll go tell coat hanger. said Paisley.

Good luck said Smartboard. I'm gonna be eaten! I'm gonna be eaten! Screamed, Paisley. What dearie? Said, coat hanger. Paisley went on a shelf. I'm gonna be eaten! She screamed louder. What? Coat hanger said. Forget it said Paisley.

Next Paisley went to talk to the water bottle. Guess what! Paisley screamed. What? Said water bottle. I'm gonna be eaten! Well, I've gotta be drunken. Paisley rolled her eyes. She stomped away. Only one more chance to not be eaten.

She could imagine her being eaten. Her enemy. She had to go tell Sean the suitcase. Sean was the meanest enemy of all enemy kind. Paisley was determined, worried, shocked & scared. He's definitely gonna say no. She went to Stacy's room & told Sean. I'm gonna be eaten! I'm gonna be eaten! She screamed a little quieter. Sean's handle bent & picked her up Shh. Said Sean I'm gonna put you inside of me & you stay there. The army men will put a walkie talkie in the kitchen like how they did in Toy Story. Ok? The other walkie talkie will be with you. Got it. said Paisley. She stayed in Sean maybe he wasn't so bad.

20 mins of waiting.

WHERE'S THE PIZZA! Paisley heard a shrieking noise that made her drop the walkie talkie! BOOM! Sean almost exploded! She unzipped the suitcase. He was slightly OK! She went to go get they Smartboard, the coat hanger, the Stanley water bottle & even Stacy. They all glued Sean back together. Paisley bought a Pepperoni Pet for Sean for therapy. He was starting to get better.

1 yr later

Sean was all better from friendship & love.

# About the auther

I'm 8 yrs old. I have a dog named Winnie. I love ANIMALS! My nickname is Emey

## Author's note

I love this story because it shows how feelings can change. The moral of this story is. . .  
Try, feeling can change.
