The "Bloody" Valley

(Introduction)

Once there was a girl named Millie and she of course had a guy in her school that everyone liked. And his name was Michel Janson, a famous singer. She also had other things to worry about than that like her "friends" that were named Kamila and Lilly. She lived in the orphanage since her parents died in a car crash while picking her up from school. All right, enough about Millie's past, let's get to the story. It was national cranberry day and there was this one guy that was so into it he poured cranberry juice on her house as a joke. But the police thought it was **blood**.

Kamila and Lilly's Plan

Kamila and Lilly were furious with Millie because she "took" their "true love" without knowing and so ... they POISONED THE JUICE!!!!!! And they forced Millie to drink it so she will die!! But she didn't drink it because she saw some weird and strange green dots inside of the cranberry juice. She saw the camera room and decided to take a look inside and she waited for the tape player to spit out a tape that was recorded with their voices on it. When she got it, she put it in and heard their PLAN!!!! When she went down the stairs she saw all of her guests on the floor unconscious and with cranberry juice all over their mouths and Millie realized that the cranberry juice all over their mouths also had weird and strange green dots inside of it so then she went to Michel Janson and was sad because she liked him and he was with Kamila and Lilly she thought he was mean, cruel and wanting to hurt her again since she thought he, Kamila and Lilly already attacked her. But he didn't, and she screamed "Get. Out. Of. My. ... HOUSE" And he was surprisingly sad because he didn't want to make her mad or sad. And he was lured to talk to her. So, Millie was even more mad that he didn't leave so she left. while she left Lilly talked to him and said "You don't need her" "She is worth nothing at all" then Kamila came out of the darkness and said "You don't need her in your life" "She is just using you for money since you are famous" "No she is not she is an amazing person unlike you who lured me to come here make me look I like you , AND you made her friend and her sad, why ? and they replied "Well we like you" "Well you don't need to try to kill her!!!" "Fine I'll leave you be since you said so" and he thought to him self "Well why didn't I do this earlier!" *Runs to Millie* "Millie!" "what" "I'm so mad at you and didn't I tell you to leave?" "bu—" "no buts and didn't I?"

The Out Break

Michel sighed. He didn't know what to do....so he left. (as told) Millie watched him leave in sadness and wondered, "Why is he sad for me when he doesn't even like me?" So, she went to the camera room (Which always gives her the answers) and saw that he actually likes her so she ran to him and shouted;

"I'm so sorry" said Millie

"For what?", responded Michel.

"For thinking that you liked Lilly"

"Oh, I thought you were mad at me", Michel said.

"No!.....never"

back at Kamila and Lilly's hideout

“Lilly..... we are sisters.....and you took all of the credit!”

“Well I wanted revenge”

“We were going to get revenge with these minions!”

“oh, well I didn’t know that”

“Now you do”

WOLF MINIONS ATTACK!!!! And they did

Birthdays and wolfs

(Lilly and Kamila were long lost sisters of course, but one thing that they didn’t know was that Millie was friends with them in the past!) It was Millie’s birthday and she looked at her birthday list of many years ago to see if she wanted to invite any old friends and this was the list of names: Lailain , Lucila , Athena, Ayman, mike, Lailac ,Kamila and Lilly. But also, the wolfs outside poisoned her!

Prepared

She was hurt and tired while being poisoned! But Kamila and Lilly were watching and the poison eventually killed her!! Michel Janson and many more people were at the funeral and the priest thought “Wow, she was a beautiful young girl with a big bright future” And indeed she was. Kamila also killed herself because she was jealous of Millie because Michel was there at her funeral and to fight for her as an angel!

Defeated

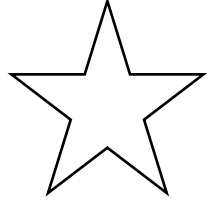

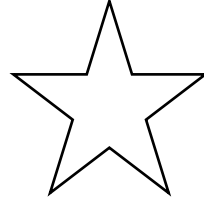

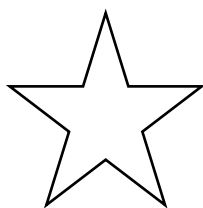

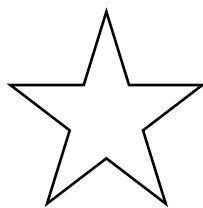

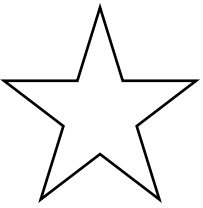

They started to attack secretly but her and all the angels it would almost be impossible to beat them, but.....

THEY WERE DEFEATED!

Forever so no one had to worry about them and everyone was Happy!
