

LIL MOCO THE LONELY BOY

“LIL MOCO” yelled his mom. Lil moco went downstairs as fast as he could. His mom said “Me and your dad have a surprise for you”. We are gonna move to New York because we got a new job there. Once on the airplane Lil Moco started getting worried. He was like what's my new school gonna be like? How are the people over there? They finally arrived to New York and it was snowing, so they had to hurry up inside their new house. Lil moco called the biggest room and Megan called the smaller one. Their house was gigantic. It had 4 rooms and 3 bathrooms. After 2 days of unpacking they spent the rest of the week on the streets exploring their new city. They saw so many cool stuff, Lil Moco was so happy. One early morning, Mike was getting dressed for school. His mom was making breakfast for him and his sister Megan. Mike was worried about getting new friends and a new girlfriend. Once he got to his new school he was already 5 minutes tardy. His mind was thinking, what a great start! Even worse, he couldn't find his classroom. His teacher Mrs. Parker told Mike to introduce himself in front of the class. Mike began to say things about himself, He said “I am from Texas but moved to New York, I am 13 years old and my name is Mike but my nickname is Lil Moco and I also have a sister and her name is Megan that is also in 8th grade.” Then Mrs. Parker told Lil moco to “sit down”. Then Lil moco sat down and looked on his left and right and saw a really pretty girl sitting right next to him. His eyes just froze on her. Mrs. Parker asked Lil moco if he was ok and he responded “yes”. Later after class she introduced herself to Lil moco and said hi my name is Sofia. Lil moco then started stuttering but managed to say my name is Mike but you can call me Lil moco. She started blushing and said that's a nice name. At lunch Lil moco had no place to sit so Sofia called him over. He sat down and all the girls started blushing. The whole time Lil moco was staring at Sofia. Once he got into his car after school his mom wanted to know everything about his day. He told her about how pretty Sofia was and about everything else. The next day he woke up really early. He took a shower and did his hair nicely. He put cologne that was his dad's and he tried to dress nicely for Sofia. His mom was surprised because he never looked nice. She asked what's the reason. Lil moco just said, no reason. The winter dance was in 3 weeks and Lil moco didn't know if he should ask Sofia to go to the dance with him. A whole week passed and he still didn't have enough courage to ask her. One day during math class Lil moco gave her a basket with flowers, chocolates and other items. He also gave her a giant poster that said will you go to the dance with me. While blushing she said yes happily. They started

hugging and then kissing. After that day they went to the movie theater. Lil moco was so happy because he now had friends and a girlfriend. To the dance Lil moco put his hair back and was wearing blue pants and a white long sleeve shirt. Sofia was wearing a pink shirt, and a skirt. They were dancing to bachata. After the dance Lil moco walked Sofia to her house. Sofia told Lil moco that she had a really great time. Lil moco said me too and they started kissing. Then sofia's mom heard them outside and then went outside and called sofia to come in the house. Then lil moco walked back to his house and texted sofia "good night".
