THE LITTLE GIRL

4 YEARS OLD

Once upon a time, there was a 4-year-old girl named Faith. Right now, she is a toddler. Her parents passed away when she was only 2 years old. Now she lives with her Grandma. (few years later) Now she goes to school! Today is her first day at School. Instead of meeting 2 nice girls...She met 2 bullies. Their names were Alex and Alexandra. Whenever the bully's passed by, they would say "A little poor girl with an old rag dress". They used to gossip about Faith ALL THE TIME! But Faith ignored them. The worst thing is.... THERE IN THE SAME CLASS. Faith always thought of herself Strong, Confident, Brave and Smart. Well she was. While the bullies were hanging out, Faith made a bet. "If I will be rich and CEO of a BIG Company, you guys have to be nice to me FOREVER." The twins agreed. That was the twins biggest regret EVER.

TEN YEARS LATER

Now, Faith is 10 years old. Her past story became VIRAL on YouTube and News somehow. Then suddenly outside of her house, there were a THOUSAND of fans! even the bullies where jealous in fact, someone gave her 100,000 dollars! She became rich and famous! later, the bullies (Alex and Alexandra) were poor and begging Faith to forgive them. Faith forgave them and then the bullies turned into good girls. She became the CEO of CHANEL!

(Chanel is a famous fashion co.)
