

Lily's Life!

By Mia C.

Lily is a little girl that is ten years old. She likes to jump and play around. Lily has two brothers and sisters. Since she likes to jump, she has a trampoline that is huge. She has so much fun playing in it

Lily's favorite color is purple. "Even my clothes, my room and my alarm clock is purple". I love the color purple

"I'm also a ballet dancer", "I'm the sixth one on the bar". "One of my biggest dream is to be a dance teacher", I hope my dream come true

Now here it comes again the part that hate the most, the part that kids make me mad and the part that kids are annoying and it's equal to school. Kids bully me because I'm the shortest one in the whole school. I come everyday crying from school because I just don't know what to do

I even get scared sometimes. I'm 38 inches and the other kids are 55 inches. Just because I'm a little bit different doesn't mean you have to be mean or bully me

Sometimes I even lie about my age and say that I'm 8 years old but they moved me to a higher level because I was really smart. I do it for people to be surprised

Me and my family are poor. I don't have any money and I don't know how to get some plus I'm never gonna get some, I'm too short.

I even try telling my parents to switch me to another school. But they can't and also if they switch me to another school, the kids in that school are going to bully me too

My clothes look like trash that's also one of the reasons why I get bullied. It has a bunch of holes

I was waiting until people didn't bully me anymore. One day a girl named Laura came up to her, Laura was just like Lily. She was short and people bullied her.

Now Lily didn't feel alone anymore plus she made a new friend.

The end.
