**Title:** The Detective

There was once a crime downtown. Detective John thought that he should find the criminal. He went to down town and he found the place were the person was murdered. He asked the people in the building next to the crime if he could check the cameras. There was a clown face masked man with a knife. He went to the crime scene and checked the knife DNA. It was a man named Ben Johnson. He had long hair with blue eyes and he was 29 years old. He was born in California and he lived in 2798 Log Street house building number 4. Detective John went to California and drove 2 hours to get to Ben's house. He brought some cops with him. He found Ben's house and went inside quietly. They found Ben and tried to get information. He told them the person that he murdered was his twin brother. He wanted to kill him because he was ruining his life. His twin brother was killing people and they thought Ben was the murderer. He was sent to jail for 3 years so he was so mad that he killed his twin brother. Ben was arrested for 5 years. He was depressed for having nobody. Ben died of poorness. Detective John was in a new case in Alabama and that's how Detective John was the best detective in town.
