

## **SUPER BUSTER**

**By Sophie L.**

Once upon a time, there was a dog named Buster. One day, Buster wanted to go outside to play fetch with his owner, Vivvy. Buster loved to play with Vivvy and Vivvy loved to play with him, too. One day Buster and Vivvy were at the park, when...BOOM!! A loud crash shook the ground. Then there was a bunch of lightning strikes "Oh, no! Buster!" said Vivvy. She knew that Buster had been struck by lightning, but Vivvy didn't know that it was a magical lightning, so when Buster was hit by the lightning he became SUPER BUSTER!! Vivvy was surprised that he was ok. Buster had a ring in his ear and he could now fly. Vivvy was getting Buster some food to eat when she saw him in the air. She dropped the dog food in disbelief. Buster started to fly in the sky, towards a tall building. He saw a girl falling off the building and caught her. She was in shock that a DOG caught her!! The town and everyone in the city heard about SUPER BUSTER and came to write stories and make movies about the superhero dog.
