

## Jacob the Super Star

By: Lenny

This story is about Jacob. Jacob was a soccer player. He wanted to win the Champion League, but he couldn't because he didn't think he was very good at soccer. He was nervous because the game was only three days away, so he started practicing soccer a lot. He got better and better the more he practiced. Then, it was game day.

Jacob was mad because the team was losing after the first half. The score was 1-0. The game started again and Jacob was determined to help his team win the game. In the first few minutes, he made a goal! He was so happy! Now the score was 1-1 and there were five seconds left in the game. Jacob ran to the ball and went past the other players. He scored another goal and they won the Champion League! Jacob got an MVP trophy and he went to go celebrate with his team. Years later, he grew up and went to PSG five-star team. Now Jacob makes millions of dollars and is famous. People love Jacob.
