

A Wife for King George

Once there was a prince named George. He was about to become king! But in order for that to happen, he had to get married! "I need to get married by tomorrow," he said. "But I don't know who to marry!"

"Ruff" said his dog Scruff "I kn..." (knock knock) someone was at the door. "I wonder who that could be?" said George. He opened the door, it was Abby! "Hello Abby"! He said. "Hi" she said. "What is the matter?" he said. "You know that you have to get married?" she said. "Yes," he said. "Well...3 ladies were having a fight over who should marry you!" she said. "Oh my...where?" George said. "Tooncenter!" she said.

Meanwhile.... "I should marry him I am like so cute," said one lady.

"No you are not. You don't even know the steps to be a perfect queen," said another."

"You think ya'll are worth it. You guys pass gas so much" said the other lady.

When King George came he stopped them. "Stop! None of yall are worth it!" He yelled. All of the ladies gasped in horror. Everyone sat in silence. Then one of the ladies said "What are you going to do Mr. Smarty pants?"

Prince George looked at all of the ladies he saw they all weren't worth it. Then he saw someone who was perfect! It was Abby! She was the perfect wife for him. Then he went back to the castle quickly, and got the ring he was saving. Then he asked Abby to come in. "Yes sir" she said. "I have a question for you," he said. Then he got down on one knee and said "Will you marry me?" he said. She gasped, "Yes!"

The next day they got married. "George do you take Abby as your wife?" "I do" he said. "Abby do you take George as your husband?" "I do" she said. "You may kiss the bride." Then George put the crown on Abby, and Abby put the crown on George. Abby was now queen, and George was now king. And they lived happily ever after.
