

The Great Lora Labor
By Lilly S.

Hi my name is Lora Labor. I'm from Dallas Texas. Ever since I was a little girl I always wanted a dog but my parents always said no. They will never let me have one because I am not responsible. But it's my goal to get one! Lora! My little sister Mya came shooting in I need you to hear something amazing are we getting a dog! No even better we are getting a fish! Oh why do you need my help? I need your help to pick one out. Fine I'll help you. I guess if I help you because if I do they might think I'm responsible and they will get me a dog! So of course I said ok! We went to the pet store I was so excited when saw all of the dogs! We got back the house then I to parents, hey this I did this mean I'm responsible enough to get a dog? Hm my daddy said not just yet. I singed ok I said. I went to my room to read a book about dogs. Why can't I just get one! It's the next day and tomorrow is my birthday I'm pretty excited! Let's see what surprise we get today. My parents say we should pick out a cake for Lora's birthday! I ask if I can go but mom said if you go it will ruin the surprise! I said ok guess that is ok. And they left I went to play on my phone to play some games but texted me and said what type of design do you want on for your cake? I said I want a dog on my cake. Then my said ok. When they came back it was time for dinner. We had my favorite because my big day was tomorrow. It's my birthday I'm going to have a party with my friend Lucy. It's time! I'm so excited! I can't wait to open presents and see my cake! Ok it's time to open presents and cake first is cake when I see it is was a vanilla cake with a cute brown dog. It's finally time to open presents. I open Lucy's first. It was so cute it was a dog jewelry set! I loved it now it's time for sisters it so cute it's a stuffed animal. Now it's time for my parents present when open my eyes went wide I was shocked! They got me a dog a beagle I named it snoopy. I love him soo much!
